What is structured literacy? 20% of the population is dyslexic? Dyslexia law?

Do you have questions? Then this is the class for you. We will review the Nebraska State Department of Education's "Dyslexia Guide" to build an understanding of dyslexia, to dispel myths, to learn about current Nebraska reading laws and what this means for teachers and students. You will learn to assess and teach using Structured Literacy techniques based on the proven Science of Reading and the Orton-Gillingham multisensory instructional methods. The course demonstrates how to build phonological awareness, phonetic decoding and encoding skills, fluency, vocabulary and comprehension in reading.
